Golbon

DW Richards Sons, Inc.

FOOD SERVICE DISTRIBUTOR

It is our distinct pleasure to welcome you to the DW Richards family! Our company has been serving the food service industry since 1925. DW Richards is and always has been independently owned and operated by the Richards family. We are located in Moosic, Pennsylvania, just south of Scranton.

We have built our reputation for excellent customer service by providing you with frequent and convenient deliveries. Our warehouse is stocked with quality brand name products so you will have what you need, when you need it. Our knowledgeable staff will work to help you grow your business!

So often we hear people say, "I see your trucks everywhere," and that is because we have customers as far north as Syracuse, New York, south through the Pocono and Lehigh Valley regions of Pennsylvania, west to Altoona and everywhere in between. Our drivers are delivering quality products to restaurants, diners, caterers, pizza shops, church picnics, BBQ's, butcher shops, and retail markets throughout the area! DW Richards is big enough to supply all the products your business requires and small enough to give personal attention to your business needs.
